TABLEWARE

Sergio Herman	INKU

INKU — It was the Japanese sense of sophistication and imperfect perfection that top chef Sergio Herman was able to infuse into the *Inku* tableware. It's tableware with clear references to shell shapes, blossoms and the abstract structures of nature. "With *Inku* tableware, we can not only decorate the plate nicely but complete tables with blossoms in ceramics," says Herman, who will use the tableware in Le Pristine brasserie in Antwerp. "I don't just view it as our task to inspire people from a culinary perspective, but I also want to create that with table decoration" To make that picture completely perfect, the collection is augmented by fine glassware.

The Sergio Herman collections for Serax draw on the diverse local and international influences that have shaped his career as a world-class chef, restaurateur and designer of spaces and objects. Herman is deeply connected to the province of Zeeland, where he began his career at the family-owned restaurant Oud Sluis in Sluis transforming it into a culinary destination. Under his creative direction, Oud Sluis achieved three Michelin stars and was named one of The World's 50 Best Restaurants for eight years. In 2013, he closed Oud Sluis to focus on new projects. Today, Sergio Herman is at the helm of the Sergio Herman Group, one of Europe's most creative restaurant groups. Together with a team of specialists, he has developed several multi-award-winning fine-dining restaurant concepts: 'Le Pristine' (Antwerp, Belgium & Singapore), 'Pure C', 'AIRrepublic' and 'Blueness' (Antwerp, Belgium and Cadzand-Bad, The Netherlands). His collections are beautiful and practical, informed by hands-on experience in his kitchens and the aesthetics and culinary experiences he has encountered over his thirty-year career.
