Oval table
Design: Peter van de Water

**A flexible family of tables and desks
supported by four big, oval-shaped ideas**

**Available in multiple shapes and sizes,
table top in 8 colours**

This family of tables charms from the moment you first set eyes on one. The table top, with its wood from well-managed forests, refined edges and eco-friendly Forbo coating looks at home in any office, or indeed home. And there's a huge variety of shapes, sizes, finishes and colours to choose from.

But their true beauty may be revealed over a longer timescale. Tastes change. Table tops inevitably wear out from the daily assault their users place on them. That's why the Oval's legs are easily detachable – they can be attached to new wood, or worked into new forms. When one part fails, there is no need to replace the entire table. Thus, we can help work towards a lower lifetime material footprint. And your Oval table can evolve with you, as you live and work.

Specifications:
26 mm table top
Furniture Linoleum top layer, available in 8 colours
Multiplex top from wood from well-managed forests
Multiplex edge, natural PU-lacquered, ultra-matte
Black powdercoated steel legs
Plastic feet

The office version of the Oval table comes with a cable feedthrough, cable tray, centre inlay with 2 powerdots (1x power + 1x double usb-charger)
